Aim of the Game for the Hot-Seater

Listen to clues from the class and try and think of useful questions to ask the class which will help you draw the picture on the screen behind you...

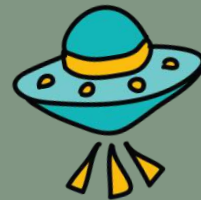

The Rule of the Game

1. Up to 6 one-word clues can be given to the hot-seaters by the class.
2. The hot-seaters can ask as many questions as they want, but the class can only answer questions which are grammatically correct!
3. How to be disqualified – that's easy. If you turn around and look at the screen, you will be instantly disqualified.
4. When students draw the picture, no other student is allowed to touch the paper or physically interfere with the drawing of the picture.

Ok, here we go!
