

Listen & Write Classroom Assessment Booklet

Can your students listen to the Ranterino's Top 300 Sight Words and correctly write them down?

Teachers,

Test your students. Read out Top 300 words and see if your students can listen and write them down.

We don't suggest you go through all 300 words in one sitting. Use the assessment booklet on the next pages in small doses to check whether or not your students can listen to Top 300 words and write them down. Once the students have gone through the Top 300 videos and worksheets, you can use the assessment sheets for 5 minutes of class time over a number of lessons and from the results give weaker students more help and practice on the words they are struggling with.

There are also three 25-Question quizzes based on the Ranterino's Top 300 sight words videos at 

Search **Ranter8or** in the public Kahoots section to find them!
