Story A4 – Spellerino

Plain text copy

LESSON 1

- PLAIN TEXT COPY

CLASS INFORMATION:

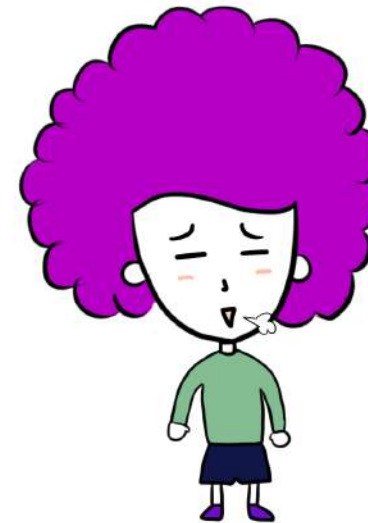

1
The Ranterino walked into the exam hall
And didn't say anything at all.
Not even a little 'Blah, blah, blah,'
Which was, for him, most bizarre.

2
You see, he wasn't feeling good today.
'And why is that?' I hear you say.
Well, today the day had finally arrived...
'It's my English spelling test,' he sighed.

3
He sat down and looked up at the clock
And pulled up one purple sock.
He turned the paper over and said,
'Oh Dear... Oh Dear... Oh Dear...'

4
He stared at question one with a frown
As the others were writing answers down.
Everyone was silent in the hall.
'I DON'T KNOW ANY OF THIS AT ALL!'

It's my English spelling test.

CLASS INFORMATION:

5
'SSSSHHHHHHHHH!' said the teacher
Sitting in the exam hall.
'This is an exam you know!
You shouldn't speak at all!'

6
'I'm not good at writing.
I'm not good at spelling.
But I am so really very good at yelling
BLAH, BLAH, BLAH!'

7
'SSSSHHHHHHHHHHH!' cried the teacher
Sitting in the exam hall.
'I just told you once before.
You shouldn't speak at all!'

LESSON 1

- PLAIN TEXT COPY

CLASS INFORMATION:

8
The Ranterino looked around.
Everyone was staring down
At their papers, writing fast.
'I think in this test today, I'll be last.'

9
He sighed and then he thought a bit.
I really don't know any of it!
But... I am still the best, by far,
At saying... 'BLAH, BLAH, BLAH!'

11
'SSSSHHHHHHHHH!' screamed the teacher
Sitting in the exam hall.
'This is an exam, you know!
I TOLD YOU TWICE BEFORE!'

**This is an exam, you know!
I TOLD YOU TWICE BEFORE!**

LESSON 1

- PLAIN TEXT COPY

CLASS INFORMATION:

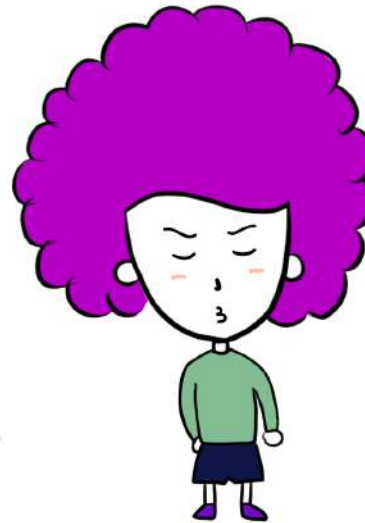

12
Everyone looked up
From their spelling test.
They all said 'Be quiet teacher!
We are trying to do our best!'

13
The Ranterino laughed to himself
And looked down at the test.
It made him feel so sleepy,
So he decided to take a little rest.

14
When he awoke it was almost 10.
He looked around and scratched his knee.
He saw the exam hall was empty.
'Looks like I'll be back again.
Next time I might even bring a pen.'

15
He lifted his little purple legs
Up off the purple chair.
He walked out to his purple car.
'Spelling?!?!? Balh, Bhla, bahl.'

**Spelling?!?!?
Balh, Bhla, bahl.**
